Tan

Dear,nice day!

The tariff cannot be avoid.More or less need to take a little.some times,Good luck, maybe can avoid tariffs.But not every customer, every time can avoid the water.In order to reduce tariffs, declared value I only wrote a \$200.

I can only reduce the declared value, but I can't promise you don't have to pay duties.

Jim Kang	2014-09-24 00:31:05	Why didn't tell me in advance or NOTE it in the webpage
Jim Kang	2014-09-24 00:20:54	This is the second time buying the 3D printer for almost same price but I didn't pay tax for it
Jim Kang	2014-09-24 00:19:53	I got a call from shipper and they said I have to pay another 50 dollars for the tax
Sunshine Tan	2014-09-17 19:32:15	OK!
Jim Kang	2014-09-17 05:08:36	Ok then, please send me the parcel through DHL~
Sunshine Tan	2014-09-16 19:39:37	Yes,usually,EMS need 15-20 days,but the DHLjust need 7-12 days. So we recommended the DHL.
Jim Kang	2014-09-16 03:18:01	Then wouldn't it take longer than EMS to receive the parcel? It won't matter as long as I get the parcel no later than September 30.
Sunshine Tan	2014-09-16 02:38:10	Look forward to hearing from you soon.
Sunshine Tan	2014-09-16 02:37:57	Hi dear, thank you so much for your ordering. We just noticed by our freight forwarder that the parcels shipped to South Korea by EMS cannot successfully delivery currently. In order to make sure you can received the order, is it fine to you that we change the shipping method to DHL instead of EMS? Look forward to hearing from you soon. BTW, it roughly takes 7-12 days for shipping from China to South Korea by DHL
